### **Reducing Barriers**

**Support of Players-** was established by the Tecumseh United Football Club Board of Directors in 2023 to ensure that all children who wish to play soccer have the opportunity to do so.

Through the generosity of our TUFC families, and other programs such as Canadian Tire's JumpStart program, we can ensure that children across Community of Essex have the chance to play each year by covering a portion of their registration fees.

#### **Financial Assistance Programs**

The following Financial Assistance Program links are provided as a courtesy to help families in need of financial support in order for kids to be able to play the sport they love.
